PROFILE

Aspiring Full Stack Web Developer with strong skills in front-end and back-end technologies. Proven experience in developing responsive, user-friendly websites, with expertise in project management and IT support. Seeking opportunities to contribute to innovative web development projects

EDUCATION

B.Tech in Computer Science 09/2021 – present
Medi-Caps University

Senior Secondary (12th) 06/2019 – 04/2021
City Convent School Dewas

10th 06/2007 – 03/2019
Holy Trinity School

SKILLS

Programming Languages: C, C++, Java, Advanced Java

Web Technologies: HTML, CSS, JavaScript, Bootstrap, WordPress

Database Management: MySQL

INTERNSHIP

Web Developer 09/2023 – 08/2024
hello! DEWAS® 🌐

As a Web Designer & Developer, I created responsive and visually appealing websites using HTML, CSS, JavaScript, and Bootstrap, ensuring cross-browser compatibility and mobile responsiveness. I collaborated with back-end developers to integrate APIs and dynamic content, focusing on enhancing user experience and adhering to modern design trends.

PROJECTS

Keshav Industries – E-Commerce Website 🌐
Front-End Developer

Built a responsive e-commerce site using React, with HTML, CSS, and JavaScript for the front-end.

hello! DEWAS® 🌐
Web Developer

Developed and customized a responsive WordPress website, tailoring themes and plugins to meet project requirements.

Online OTP Attendance System
Full Stack Developer

Developed a secure Online OTP Attendance System with a front-end using HTML, CSS, and JavaScript, and a back-end powered by Java Servlets, JSP, and MySQL. Implemented OTP-based authentication to enhance security, while optimizing MySQL database schemas for efficient data storage and improved system performance.
